The image displays three sequential browser screenshots of the Trimble user interface:

- First Screenshot (Sign In):** Shows the 'Sign In' page with the Trimble logo. A red box highlights the 'Create an account' link. Below the link is a 'Username' input field containing 'name@email.com' and a 'Next' button. There are also 'Sign in with Google' and 'Sign in with Apple' buttons.
- Second Screenshot (Create account):** Shows the 'Create account' page. It includes a 'First Name' and 'Last Name' input pair, an 'Email' input field with 'name@email.com', and a 'Send Code' button. A 'Sign in' link is visible for existing users.
- Third Screenshot (Verify your identity):** Shows the 'Verify your identity' page. It contains a 'Verification Code' input field with a 'Code' placeholder, a 'Resend Code' link, and a 'Submit' button. A message states: 'A verification code has been sent to your email. Please enter the code below to continue.'

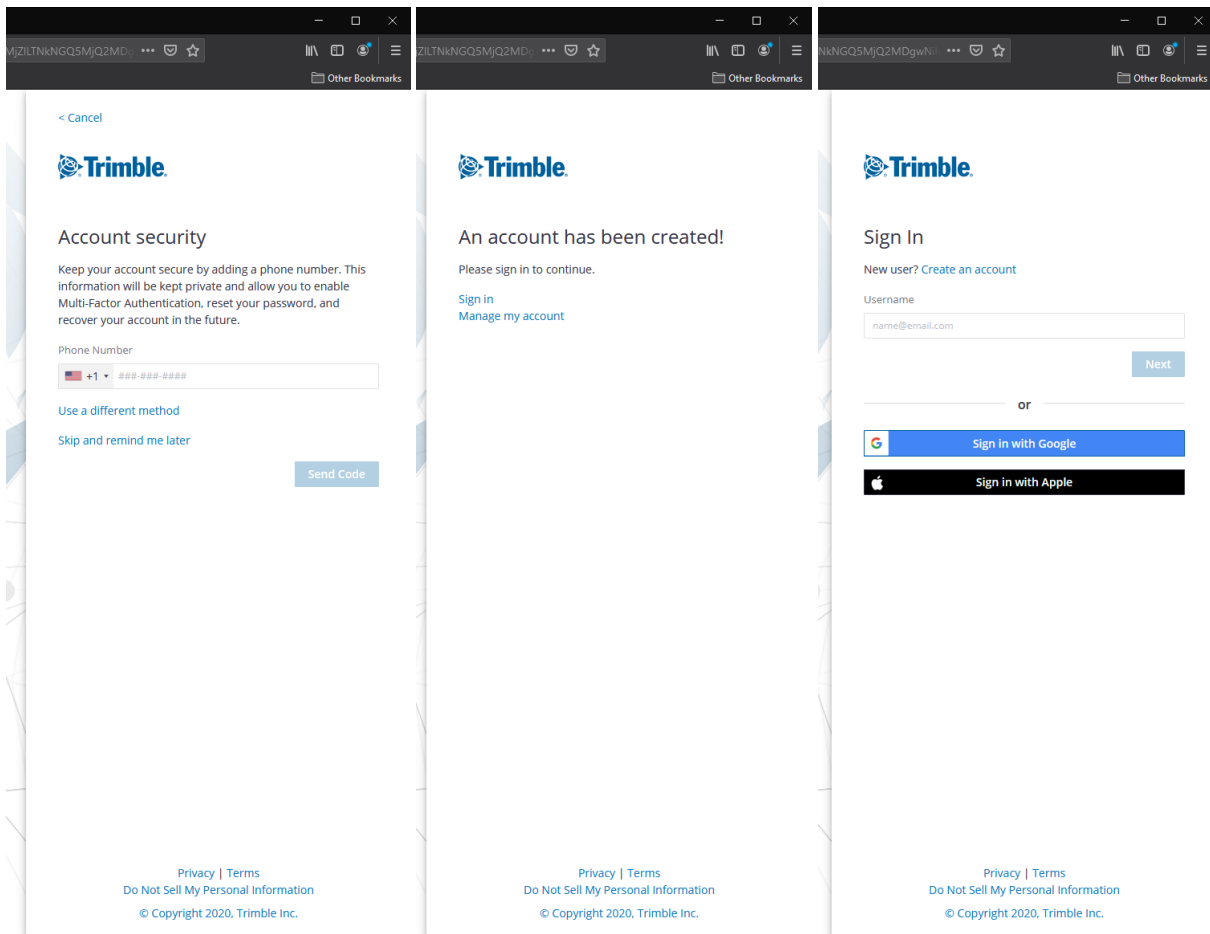

Each screenshot includes a footer with the following text: 'Privacy | Terms', 'Do Not Sell My Personal Information', and '© Copyright 2020, Trimble Inc.'

The image displays three sequential screenshots of the Trimble account setup process in a browser window. Each screenshot shows a different stage of the registration process.

- First Screenshot (Password Creation):** The page is titled "Hello, [redacted]". It prompts the user to "Create a unique, strong password using a mix of letters, numbers, and symbols." There are two password input fields: "New password" and "Confirm password". Below the "New password" field, a list of requirements is shown with red 'x' icons: "8 characters", "Number (0-9)", "Uppercase and lowercase letters", and "Special character !@#%&*+_-=".
- Second Screenshot (Account Preferences):** The page is titled "Account Preferences". It states "Your account is almost ready! Confirm your account preferences below to complete your profile." The email address "trimble3@civilpoint.fi" is displayed. The user has selected "Finland" for the country, "Europe/Helsinki" for the time zone, and "English" for the language. The "Enable Multi-Factor Authentication" checkbox is checked. A "Submit" button is visible at the bottom right.
- Third Screenshot (Account Security):** The page is titled "Account security". It instructs the user to "Scan the QR code below using your authenticator application, then enter a valid code below to verify correct setup." A QR code is displayed with the text "Can't Scan It?" below it. There is a "Verification Code" input field with a "Code" placeholder. Below the input field are links for "Use a different method" and "Skip and remind me later". A "Submit" button is at the bottom right.

At the bottom of each screenshot, there is a footer with the following text: "Privacy | Terms", "Do Not Sell My Personal Information", and "© Copyright 2020, Trimble Inc."
